

## {p5} SURFACE materials to purchase & BRING to our next surface studio!

We will begin building a cradle frame structure. Avoid falling behind by being PREPARED with everything on this list for your NEXT SURFACE STUDIO.

### 1. Go to the lumber aisle at Home Depot..AISLE 14

You need lumber, specifically Select Pine Board, works great & is around \$4. There are many ways to get what you need. **You need ONE piece of select pine that is 1inch x 2inch x 8ft.** If you have a car that can handle this, great! OR you can have folks at Depot cut the lumber in HALF {creating two four ft. pieces} OR simply purchase choose TWO pieces of select pine 1inch x 2inch x 6ft.

You will need to purchase TWO pieces of lumber 1inch x 2inch x 6ft. Or... ONE piece 1inch x 2inch x 8ft.

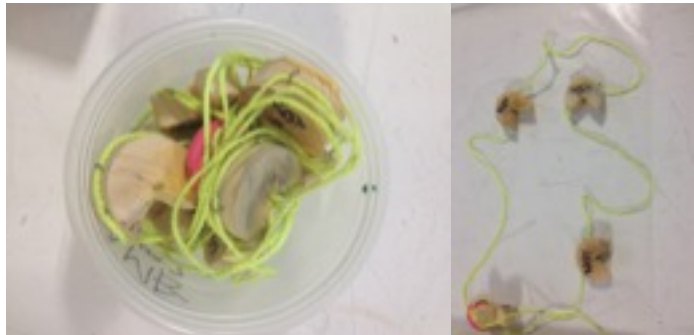

You will need to EXAMINE the wood to make sure it is STRAIGHT. You will be building a cradle frame structure & will be using most of the wood.

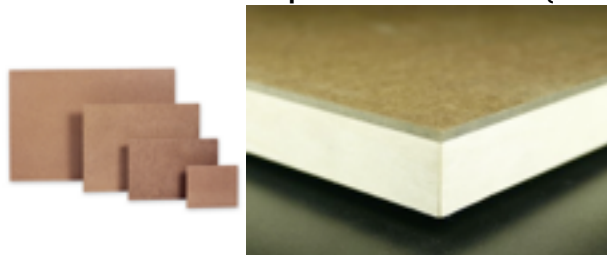

### 2. You will need to go to the local Art Store, Home Grown

{address & contact info. can be found on your Material List} & purchase the following:

- CORNER CLAMPS "PAC-MAN" CLAMPS

- ONE 18inch x 24inch piece of MASONITE {so we can build a cradle frame with your lumber}

**ALSO... bring your BLUE TAPE, WOOD GLUE, & WAX PAPER**
