

REQUIRED WASH MATERIALS

MW CREW

All of these materials are required and you can choose to purchase these items anywhere that you like. Homegrown Market Place located 1108 16th Street in Huntsville is a local option & will be the only source for a few of the materials on this list. Great online resources include <http://www.artistcraftsman.com>, <https://www.dickblick.com>, and <https://www.amazon.com>.

Many free materials will be provided to you in an effort to relieve you of some expenses this semester. Art making can be a pricey endeavor, but consider these materials an investment in your education. We will use all of these required supplies during WASH & many of the materials will be used in your future courses at SHSU. Please PUT YOUR NAME ON ALL OF YOUR MATERIALS. Additionally, there will be some supplies needed that are not on this list that will be announced at a later time. We recommend budgeting to that you are able to buy end-of-semester materials.

Materials to purchase right away:

- Brown chipboard sheets, large, at least around 20 sheets (like this- <https://www.amazon.com/Grafix-Chipboard-12-Inch-Natural-25-Pack/dp/B0013JRFUA>)
