LECTURE

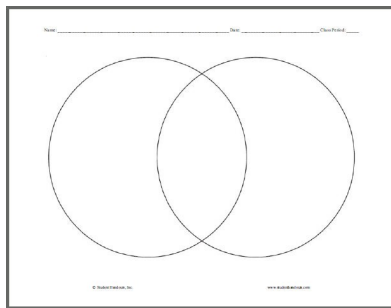

Exploring Artistic Habits: Artist Venn Diagrams

Due Friday, February 8 @9:30am

Printed and Stapled

Challenge:

After thorough research, create THREE separate Venn diagrams about the differences and commonalities between you and your artist. This will assist you in understanding more about your assigned artist, who you are as a maker, help inform your future research, and add to your knowledge of art making methods. It is suggested that you type into the editable PDF to complete your Venn Diagrams. If you choose to write your Venn Diagrams by hand do so in clearly legible handwriting.

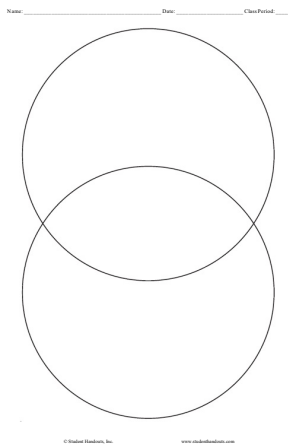

Templates provided on Blackboard and shsuWASH.com

Venn Diagram Breakdown:

You will be creating three diagrams.

1. Formal Themes (list FIVE themes in each circle & overlap)
2. Conceptual Themes (list FIVE themes in each circle & overlap)
3. Material + Process (list FIVE themes in each circle & overlap)

Objectives:

- Explore and investigate artistic habits
- Research and Identify elements and principles of design
- Research and identify conceptual themes in a work of art
- Research and identify artistic materials and artistic process
- Compare and contrast your artistic habits with your artist

Evaluation:

- Following all guidelines
- Factual information, research, and knowledge is demonstrated
- Evidence of thoughtful investigation
- Cleanly written
